## Fulfil Your Dreams with Switch Words

### *Forwards*

I have been using switch words and Bach flower remedies for last many years. I have seen benefits of switch words and Bach flower remedies. I became fond of switch words when I was struggling to get a Job. And then one day found a combination of switch words on internet I used it, and you will not believe I had job in just two weeks' time. That was a miracle.

It's been a long time, since I wanted to write a book on switch words. I have so many things running through my mind.

In January 2018 I decide to start writing this book. Being an IT professional, it was not an easy task to get some time to write something

which engages a lot as a writer.

### **Fulfil Your Dreams with Switch Words**

But I thought of coming out me comfort zone and started to slog as it's called in IT. I have two young kids who demand a lot of attention from me. So, the only option to work on this book was to write at night.

So, with a lot of help from my wife this book came into being.

WHATYOURSIGNALSAYS

## Fulfil Your Dreams with Switch Words

### *Acknowledgement*

I want to thank my wife Eakta for helping in writing this book, she did lots of graphics designing needed in this book. Then My kids for letting her work long hours. My 80-year-old mother who keeps on inspiring me all the time. I want to Thank the publisher of this book.

And at last, I want to thank every person and entity who have been part of the journey until this book became available in the market.

**|| LOVE THANKS DIVINE ||**

## Fulfil Your Dreams with Switch Words

Switch words:

There are words which can create positive impact on human energy field which surrounds human body. When you chant switch words, they generate frequencies of their own.

These words can bring changes based on their properties or you call it “these words can switch human energy fields from state to another one”

And that’s the reason these words are called switch words.

These words can escape the logic of conscious mind and can work with unconscious mind and bring the change.

## Fulfil Your Dreams with Switch Words

### Why Should You Use Switch Words?

Switch words can be used for anything in your life like solving day to day problems as small as reaching office on time while stuck in traffic jam. Yes, there is switch word for that.

Can help you find a job of your dreams with a company or boss of your choice.

Can help you in coming out of financial mess or debt. Can help in building good relations or improving bad relationships.

Can bring sudden financial gain when you need it most.

Can bring peace of mind and can make you happier healthy and wealthy.

## Fulfil Your Dreams with Switch Words

## Real Life stories

### The Boy who was Jobless for 1.5 year

There is a friend of mine who got married to a girl who he did not like, it was his father's decision to approve the marriage.

The marriage did not last long. He was married on December 6, 2011 and they were filing divorce on December 20, 2011. It was not easy for both the families which just spent so much money in the marriage. Specially in India marriages are very costly affaires.

Things went real bas for them, and boy's family too suffered a lot. Later, it was known that the family took almost 5 years to come out it this.

# Why Switch Words are effective

There are different meanings for words in Greek and Latin

Most of the English words were derived from Greek and Latin. So, while using switch words, whatever meaning is there in Greek and Latin is taken.

Therefore, we have to ask, for example, “The word – Divine Order – where it is coming from?”

However, there is a common meaning for the word in different languages

Greek and Latin are the common origin for other European languages also.

A word is used in French, and when the same word is used in different communities, by different people or in different countries, all of them will have a common meaning.

That we have to find out – how French use this word, how German uses this word, and so on. We will find more common trends then.

# SWITCH WORDS

## GLOSSARY

### How to use this Glossary for your benefits?

You can find this glossary of switch words very helpful for the following reasons

1. Understanding effects, a switch word can create.
2. For self-creating Switch word combination based on personal need.

First think what you want Then find relevant switch words and make a phrase using these switch words.

## Fulfil Your Dreams with Switch Words

### **EXAMPLE**

Here is an example of need base switch words selection and creating a relevant phrase for chanting.

*Suppose you are stuck in traffic on your way to office.*

**Need:** Reach Office on time. Coming out of traffic

Which mean you need to speed up you travel / commute right away to reach your destination and kind of miracle is needed to clear the traffic fast.

**HALFWAY** is switch word to speed up.

**REACH** is switch word for being somewhere.

**DIVINE** is switch word for miracles.

So, you may come up something like this.

**REACH OFFICE HALFWAY DIVINE.**
